OFFICE PERSONNEL TRAINING

(This class is not a CETP Certified Class)

The class instructors will be Ron Sutherland, along with Ken Kirn, of CRS Compliance Regulatory Service. This class is for Office Personnel that do not load, fill, or deliver propane. For those of you that do load, fill or deliver propane, you must attend a CETP certified course. This class will talk about Properties of Propane, Crisis Management and other related topics. The class will consist of a one-day session. *The cut off date for registration will be 15 working days prior to the class. Checks made payable to Wisconsin PERC, Inc. must accompany the registration. Please make a copy for EACH person attending.*

Cost: \$20.00 per person
